

We Need You In '22!

2022 FRIENDS OF THE SPORTS COMMISSION

As an independent nonprofit organization, the Jacksonville-Onslow Sports Commission (JOSC) seeks private support, through its annual giving campaign, to fulfill its mission of enriching our community through sport. We do so in three ways:

- 1) Locally created, owned operated events
- 2) Supporting local event promoters to help them grow their events
- 3) Engaging the community through recognition programs and youth initiatives

Companies and individuals who participate in the **Friends of the Sports Commission** program pave the way for the organization's success. The **Friends of the Sports Commission** program is the cornerstone of the JOSC's strength and stability. Donation levels are **90% tax deductible**.

We are reaching out to you for your support of our organization as we continue to deliver value to the community. The Jacksonville-Onslow Sports Commission's results make Onslow County a stronger market, generates economic development and contributes to the region's quality of life. As a friend of the program, you'll help our organization continue to make great things happen for Onslow County.

To become a **Friend of the Sports Commission**, please look at the accompanying page that outlines the various commitment levels and benefits. Then, complete the information and return this form to the address noted along with a check.

Level of Support: MVP (\$5,000) All-Star (\$2,500) Pro (\$1,000)
 Varsity (\$500) JV (\$250) Fan (\$100)
