TOURNAMENT RULES & REGULATIONS

1. All vessels must be registered at the mandatory Captain's meeting held at the Marina Cafe.
2. Boats will be checked out the morning of the tournament. Weigh-in location is at Marina Café. All boats must return under their own power.
3. All fish entered for prize consideration must comply with North Carolina State fishing regulations. North Carolina fishing licenses are required for all anglers for salt and fresh water (applies if fishing in both bodies of water). All boats will have adequate safety gear and ensure that everything is operable on-board. Captains are responsible for all anglers on their vessel.
4. The entry fee is \$150 per boat (includes 2 t-shirts). All persons fishing on the boat must be listed on the registration form.
5. Live fish for weigh-in are encouraged. All live fish in good condition will be released back into the wild by tournament staff. Let's all practice conservation for the fish we catch. Otherwise, fish must be in good edible condition and properly iced. Fish must be properly landed. Fish that appear to have been harpooned, gaffed, mutilated, shot or cast/gill netted will be refused.
6. This is an aggregate weight, 4 fish limit shootout.
7. All contestants will, in every respect, catch any fish offered for prize consideration in a sportsmanship manner, obeying all rules and regulations of the tournament.
8. Scales open at 3:00PM and close at 4:00PM Saturday, November 19, 2022. Any boat that has not checked in at the weigh-in designated area by 4:00PM will be disqualified.

9. In case of equal weight, the winnings will be combined and split for the big fish.
10. All decisions of the tournament committee will be final.
11. Tournament participants are subject to a polygraph for cash prizes.
12. All prizes will be awarded following the weigh in calculations.
13. Participants enter at their own risk. Neither the tournament, nor any person connected with the tournament, shall be held liable for any loss, damage, negligence, hazard, or injury to anyone for any reason. The Tournament Board reserves the right to postpone/reschedule the tournament due to unforeseen weather conditions.
14. At captains meeting any rule interpretations are final!
15. Boundaries: Inshore waters only.
16. No Guides or Charter Captains may fish together on one vessel any time during the NC Coastal Trout Series.
17. No hole-sitting.
18. Sportsmanship is expected before, during and after the tournament. The tournament directors can remove anyone at any time for any reason.
19. You must have your assigned boat number (laminated paper), that you will receive at the captain's meeting, with you to weigh-in your fish. Anyone without this number will not be permitted to weigh-in.
